Dear Mr. Hymen,

I would like to inform you that I received approval for my Gold Award project, Quilting for the Young from the Washington Rock Girl Scout Council on September 30, 2008. More importantly, I would like to thank you and your staff here at Fabricland for assisting me with my project. I appreciate all the help and service you provided me so I could accomplish my Gold Award project.

Enclosed are photos of the baby quilts in which the donations from Fabricland were used. The quilts were a gift for the women enrolled in the Somerset Teen Education Prenancy Program (STEP) at the Women's Health and Counseling Center, Somerville, NJ. They received a gift of warmth, courage, support and happiness, and you helped me achieve my goal of providing the quilts to them.

Thank you again for all your help!

Yours truly,

Elisa Salvemini
