North Plainfield, NJ 07060

Dear Mr. Heyman:

As we have been working on our first ever 'Christmas in July' bicycle give-away event this year, I began to think of the many folks who helped us in the past, and you, of course have been one of them. I want to personally thank you, again for your most recent contribution of \$100.00. Your commitment to helping others in our community is remembered and sincerely appreciated.

The Salvation Army seeks to advance its mission of meeting human needs without discrimination through a variety of social service, educational, and character building programs. Through these services and programs, we have seen many lives changed for the better.

We make a difference in Plainfield and the surrounding communities every day through our soup kitchen, food pantry, children and adult programs, drug/alcohol referrals, emergency assistance, summer camps, holiday assistance, and more.

How grateful and humbled we are for generous donors like yourself who make it possible for us to serve others and give them a hand up, not just a hand-out!

Please know, again, how grateful I am for generous support of our efforts. Please call us or visit us! We would love to show you our facility, and our dream to grow here!

Blessings,

Major Verna LaSalle
