Dear Ms. Guterman:

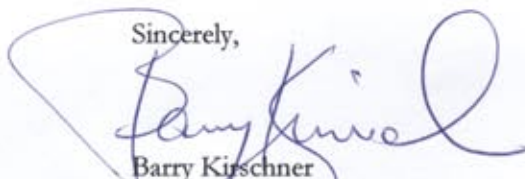

Thank you so much for your gift of \$1,000 for The Valerie Fund 2013 Walk and JAG Physical Therapy 5K Run and Warren Pride, through Metropolitan Window Fashions.

Your gift is powerful and it is already at work. *Did you know that reducing the emotional impact on a child today minimizes the long-term impact a life-threatening childhood illness can have?* This means that you are also helping to lay a foundation for The Valerie Fund kids' future happiness and success.

Beginning with diagnosis, children become part of a larger family of doctors, nurses, child life specialists, and social workers focused on their comfort and healing. Whether treatment takes months or years, each child receives emotional support and guidance throughout treatment and follow-up from child life specialists and social workers whose singular goal is to help patients achieve the best quality of life. That includes making sure Valerie Fund children enjoy the same things as their healthy peers—even summer sleep-away camp. In fact, The Valerie Fund has operated Camp Happy Times, a totally free overnight camp for kids who have or have had cancer, for 30 years.

Thank you again for this generous gift and for making the children of The Valerie Fund a priority. They are truly some of the bravest kids we will ever know.

Sincerely,

Barry Kirschner
Executive Director
