**Silhouette®**  
Window Shadings

Innovative. Unexpected. Designed to a higher standard of excellence. Silhouette® window shadings provide the light control of a blind, the easy operation of a shade, and the soft, light-filtering translucence of a sheer curtain. Silhouette window shadings are extremely flexible. They can light up a room or blend into existing decor. Shadings are available in a variety of fabric and color choices.

**Luminette®**  
Privacy Sheers

Luminette Privacy Sheers® combine the light providing quality of classic sheers with the privacy of soft draperies. Elegant fabrics and classic colors combine to create unlimited decorating possibilities from contemporary to formal, creating a stunning look for any home decor.

**Pirouette®**  
Window Shadings

Create harmony in every room of your home with Pirouette window shadings, an innovative new product that combines the personality of a classic fabric shading with the ability to control light in an entirely new way. At the heart of Pirouette window shadings is the revolutionary Invisi-Lift system. The system allows the horizontal fabric vanes to float gracefully, providing unobstructed views when open and complete privacy when closed.

**Country Woods®**  
Wood Blinds

Country Woods® blinds have been designed in the tradition of fine furniture. A collection of precision crafted, custom designed wood blinds that do more than complement the surrounding decor. They actually enhance it, refining the beauty of any room while giving your home a feeling of warmth and sophistication.

**Palm Beach™**  
Shutters

Palm Beach™ custom shutters combine the best of both worlds: attractive good looks and low maintenance. You can enjoy the stylish appearance of shutters in any interior space without worrying about warping, fading, chipping, or excessive wear.

**Reveal®**  
Modern Precious Metals

Introducing Reveal with MagnaView. Now, you can have a view never before experienced with aluminum blinds. These patent-pending blinds are exclusive to Hunter Douglas. They look like standard blinds when closed, but tilt them open to reveal twice the view-through of ordinary aluminum blinds! It's time to open up your view... and let in the light!

**Got a Problem?**

**WE CAN SOLVE IT!**

**Concern: Privacy**  
**Solution: Luminette & Silhouette**

These two great products allow light to filter through beautiful fabrics, but also allow for complete privacy—with one simple touch.

**Concern: Heat Loss/UV Protection**  
**Solution: Duette Honeycomb Shades and Window Film**

Duette honeycomb shades are available in single, double, or triple honeycomb construction to maximize their insulation quality and UV protection. Window film is a great backup for when your shades are raised.
