

Project Fabricland IV

Make it Picturesque*

*Fabricland's Class and Competition
Based on Project Runway*

Project Fabricland IV is all about how art and fashion are intertwined.

Students will use a work of art as their inspiration.

A 12 week class for ages 10-18 (elementary through high school)

With pattern alterations, fabric choices and embellishment students will learn the design process including some research, creating a design board, swatching fabrics and trims, following pattern sewing instructions and garment construction.

A final fashion show on May 7, with over \$7,500 in prizes, will be held for participants to model their creations.

\$299 class fee
