Dear Ms. Guterman,

On behalf of Englewood Hospital and Medical Center Foundation, thank you for your recent gift of \$150.00, which came as a result of the 2011 Wine and Design event featuring Sally Morse. Your donation from the October 4, 2011 event will benefit The Leslie Simon Breast Care and Cytodiagnosis Center. We deeply appreciate your generosity, which will help us continue to expand the patient-centered, compassionate care for which Englewood Hospital is so well known.

The Center for Medicare and Medicaid Services ranked Englewood Hospital #1 in New Jersey and #3 nationwide for heart attack survival. Our Stroke Center is among a prestigious group of fewer than 150 hospitals nationwide designated as a Primary Stroke Center by the Joint Commission.

In addition, HealthGrades ranked the Medical Center among the top 10% of U.S. Hospitals for Maternity Care and in the top 5% for patient safety. This makes your Hospital one of only four in New Jersey—and the only one in Bergen County—to receive this designation.

Your support of our efforts help make the Medical Center a vital resource to the communities we serve. Thank you again for this gift and for sharing Englewood's commitment to providing exceptional care.

Sincerely,

Debra Albanese
Executive Vice President
