Dear Fabricland Inc DBA Metropolitan Window Fashions,

On behalf of the FoodBank and the charities we serve, I would like to thank you for your generous donation of \$100.00, Check Number 1251, Check Date 11/13/2012 for Fabricland Interiors Food Drive. The FoodBank of Monmouth and Ocean Counties provides donated and purchased food to more than 127,500 individuals through over 260 community feeding programs. The number of children has increased by 150%, with over 51,000 served in our local communities.

In addition to food distribution, some of the programs we administer include:

- **The Kid's Café** for which we prepare 120 hot meals per day for the after-school program at the Boys and Girls Clubs of Asbury Park and Red Bank.
- **The Kid's Backpack Program** in which we work with 8 schools in Monmouth and Ocean Counties to provide 6 weekend meals for over 200 at-risk students.
- **The Culinary Training Program** which offers a 13-week educational program for unemployed and underemployed adults. We have had 32 classes, with 193 students who have graduated with employable skills.
- **The Mobile Pantry** which brings food to individuals who do not have easy access to food pantries. We stop at 16 sites each month, providing emergency food boxes to over 600 individuals.

Hunger does not take a vacation, but please know that many more children and their families will be able to enjoy a nutritious meal together, as a result of your kindness. Thank you for your donation and for supporting the FoodBank.

Sincerely,

Linda Keenan  
Director of Development
