

Exciting News! We are relocating in 2018 to better serve you!

To: Our Loyal Customers
From: Bruce Heyman, 3rd Generation Owner

We are pleased to announce Fabricland will be moving (but not too far!) in 2018!

As specialists in fabric fashion and home decor, we know the value of a fresh new look. Currently, we are scouting for a premier location on Route 22 for a new Fabricland. (Of course, our thriving custom decorating business, Metropolitan Window Fashions, is coming with us.) We promise to be very close to our existing location and to be fully handicap accessible - no more stairs!

My family and I are very proud that our business has flourished for 83 years. We've succeeded because we've always changed to meet customers' needs. In our 21st century Fabricland, we will provide a new shopping experience with the same staff and dedication to service you've known for years. We will continue to offer the largest selection of fabrics and window fashions in New Jersey.

We'd love to hear what products and services you would like to see – or not see – in our new store.

All of us at Fabricland appreciate your role in our success. We are grateful for your patronage and love hearing stories of how your own parents and grandparents shopped with us. You'll be the first to know about the opening party for our new location.

In the meantime, stay tuned for updates and sales. The date of the move is still to be determined, but we have lots of merchandise that we would like to sell before we move - we would rather buy new, than move what we have in stock. The best way to stay informed is to join our e-mailing list.

Thank you for being a loyal Fabricland customer. To discuss our future plans or anything else, you are always welcome to contact me by phone or email.

My best regards to you and your family,

Bruce Heyman
