

## FABRICLAND DRESSMAKER REFERRAL LIST

The following individuals have their own businesses – that have no relationship to Fabricland. We recommend them because we have seen their work and can verify that they have the skills necessary to handle most jobs.

Each individual has select areas of expertise in dressmaking. If you are looking for home fashions, such as pillows or window fashions, please contact our custom decorating department. By agreement, these companies are not permitted to offer these services to our customers.
